Fleet now has footprint in Amsterdam

Fleet Management Limited expands footprint in Europe through new subsidiary, NAESS Ship Management BV, on 18 September 2018 to better serve its customer base.

Kishore Rajvanshy, Managing Director, Fleet Management Limited said: “I am very excited to share with you the opening of our new office in Diemen – on the outskirts of Amsterdam, Netherlands. Launched on the back of 13 vessels, this new office alongside our current offices in London and Cyprus, will bring the tally of Fleet’s European technical ship-management centres to 3.”

The new office is in the beautiful area of Diemen, which is only 20 minutes from the Amsterdam International Airport.
